Welcome

Dear Guest,

On behalf of all of us at Yas Marina, we are delighted that you will be joining us to celebrate the FORMULA 1 2018 ETIHAD AIRWAYS ABU DHABI GRAND PRIX and what is sure to be an exciting finale to the 2018 Grand Prix.

Our team is dedicated to making this event as enjoyable as possible for you, your family, friends and guests. We have put together this Berth Holders' Guidebook that will help you plan your journey and time at Yas Marina, allowing you to make the most of the services on offer whilst soaking up the race week atmosphere in style.

This guidebook contains important information that should be shared with your yacht crew, and any third party providers. The seasoned Yas Marina team is happy to assist in any way with your planning and preparations. Whether you have questions about tickets, parking, pilotage, catering, yacht provisions or entertainment we can help.

We urge you to adhere to the guidelines to help everyone enjoy their experience. Please remember to review the contract carefully before you visit the marina and ensure that you will be responsible for your guests throughout the week.

We look forward to welcoming you and your guests to Yas Marina.

Sincerely,

Billy Canellas
General Manager, Yas Marina

Important Rules

To help you enjoy the weekend

All Yas Marina guests are subject to the marina's rules and regulations and the Formula 1 supplemental marina rules and regulations (vessel owners and operators are requested to provide their guests with the same). We anticipate as many as 15,000 Yas Marina guests per day of the event. With that many guests, it is critical that the following procedures be upheld to maximise everyone's security and enjoyment throughout the weekend.

1. Once berthed at Yas Marina, no vessel movement will be allowed and tenders are only allowed within marina boundaries.
2. Abu Dhabi Coast Guard will conduct a security inspection of Yas Marina, and all vessels berthed within it, any time on or after Sunday, 18th November.
3. From Monday, 26th November, all vessels are free to depart from Yas Marina and enjoy the Abu Dhabi waters, in accordance to the local and federal regulations.
4. Parking at Yas Marina from Thursday, 22nd November until Sunday, 25th November will be limited to parking pass holders only. Please refer to the Parking Pass section of this document.
5. Yas Marina is a NO DRONE ZONE. The flying of drones is prohibited at all times.
6. Use of personal water crafts (jet skis etc.) and personal transporters (segways) etc. is strictly prohibited within and around Yas Marina.
7. No buggies (golf carts) are allowed at the marina except those belonging to Yas Marina. Prior booking of private buggies is available through the sales team.
8. Delivery times are between 6am and 2pm, and will be strictly enforced from Thursday, 22nd November to Sunday, 25th November.
9. No external caterers are permitted to access the marina except those listed as approved suppliers.
10. Any catering trucks not belonging to one of our official caterers will not be allowed access to the marina even during allowed delivery hours.
11. All Yas Marina guests must wear their Guest Pass outside of their clothing at all times while on the marina.
12. There is no music permitted after 2am every morning. This is in order to accommodate your neighbouring vessel and Yas Hotel guests.

Arrival

Access by sea

As part of your race week berth package you are eligible to berth at Yas Marina from Sunday, 18th November until Monday, 26th November 2018.

Due to the popularity of this international motor sports event, there will be high levels of traffic and security both getting to and whilst on the island. We advise you to plan your arrival and make the most of the full week of berthing, allowing for plenty of time to get security clearances and also set up for the week ahead.

The safe operation of a vessel is the sole responsibility of the vessel operator. Vessel operators are advised to review all available charts and pilot information necessary for the safe passage of the vessel. The information provided below is to be used simply as reference and must not be relied upon for navigation purposes. All information should be verified by the vessel's master prior to making the transit from the Arabian Gulf to Yas Marina.

Directions

1. The most direct route from the Arabian Gulf to Yas Marina is to enter Abu Dhabi's inner-coastal waters at Mina Zayed and transit south-east through the Umm Al Nar Channel towards Yas Island.
2. Continue along that same course for approximately 6.5 n.m., and enter the Yas Channel at the intersection of Balrimayd Island and Al Sammaliyah Island. When entering Yas Channel, please respect the cardinal markers.
3. Continue within the channel bearing south-southeast until passing the Aldar HQ building (large round coin-shaped building) on your starboard side.
4. Continue past Al Raha Beach and Al Bandar residential communities (three large residential towers that look like steps into the water), respecting the no-wake zone.
5. You will then see the visitor berth of Yas Marina ahead of you to the left. Call the Yas Marina office on VHF Channel 8 and notify them of your arrival. Once you get the OK from Yas Marina you can proceed to enter the marina.
6. Continue past this and turn left at the marina entrance. Please ensure that the captain of the vessel navigates within the channel buoy especially at Yas Channel buoy number one.

The distance from Mina Zayed to Yas Marina is approximately 14.85 n.m. requiring 1.5-2.5 hours to transit depending on the vessel.

Saadiyat Bridge has a posted air draught of 20m.

The channel from Mina Zayed to Umm Al Nar is approximately 150m wide and dredged to -11m ACD.

The channel from Umm Al Nar to Yas Marina is dredged to -6m ACD.

NAVIGATION NOTES

Channel Markers are clear and well positioned from Mina Zayed Port to Yas Marina. A maximum of 6 knots of speed is allowed inside the channel for vessels from 35 meters and above. All vessel sizes have to respect the maximum speed of 6 knots when traveling between Al Bandar Marina and Yas Marina.

PRODUCTS

Other products available (in addition to gasoline and diesel) are:

Engine oil
2 stroke engine oil
Coolant

The above information can change without notice and Yas Marina cannot be held responsible.

Vessel Clearance Procedures

All vessels visiting Yas Marina from Sunday, 18th November to Monday, 26th November 2018 will be subject to inspection by the Critical National Infrastructure Authority (CNIA). Foreign-flagged vessels will also be subject to customary international yacht clearance procedures (Customs, Immigration etc.)

The 'Inspection Pier' is located on the western side of the entrance to the Khawr al Bighal Channel (also known as the Umm Al Nar Channel) outside the port of Mina Zayed (approx. 24° 31.8' N, 54° 23.6' E) and is protected by a newly constructed seawall (not referenced on navigational charts). A coast guard vessel will be stationed near the pier to further direct visiting vessels.

As per Federal Law, please pass by Mina Zayed Port before 6pm.

Vessels exceeding 90m in length may be required to 'stand off' the berth and either send a tender into shore to transport the government representatives to the vessel, or be prepared to be boarded.

Vessel Clearance Procedures

Before arrival at Yas Marina

1. Two hours before arrival at the Inspection Pier, registered vessels must contact the Port of Mina Zayed on VHF Channel 67 and advise of their estimated time of arrival.
2. CNIA will direct the vessel to a specific berth alongside the Inspection Pier.
3. Once secured at the berth, CNIA may conduct an inspection (including underwater inspection if deemed appropriate at that time), and issue a 'Clearance Sticker' to the vessel, which needs to be clearly visible.

Departure from the Inspection Pier

1. Registered vessels may depart the pier and sail directly to Yas Marina.
2. All vessels will be required to comply with Safe Boating Regulations (speed within the channel and maintain safe distances between vessels) issued by the Abu Dhabi Department of Transport and other government agencies.
3. Once the vessel leaves the Inspection Pier, please contact the Yas Marina team on VHF 8 and advise of vessel's estimated time of arrival.

Mina Zayed Port Control Contacts

Permission for access via the Sammaliyah Channel must be obtained from the Harbour Master's office at +971 2 697 5375 or +971 2 673 0600 or via VHF channel 67 (24 hrs).

& services

Provisions & Services

Boat provisions and deliveries (6am - 2pm)

All delivery vehicles must have a Delivery Drop-Off pass.
Please refer to the Vehicle Access & Parking section of this document.

Water and power (24 hours)

Power and water is supplied to all berths pre-assigned with utilities.
Please ensure you review your power requirements before arriving at Yas Marina and have your captain confirm these before arrival. Should you require further information, please do not hesitate to contact Wesley Marie (Totot) on richarno.marie@yasmarina.ae

Rubbish collection (8pm - 11pm and 3am - 8am)

Yas Marina will visit each berth at some point during the above times to collect rubbish.

Waste pump out (2am - 7am)

Waste pump out will be available on berths 36 to 53. All other berths within the marina (without direct access to a pump out connection on the pedestal) will be serviced by a mobile pump out service. Captains should pre-book this service 24 hours beforehand with the marina within the above timing.

Wi-Fi

All yachts should be able to access the free Wi-Fi service around the marina.
Look up the Captain's Wi-Fi network and use the password: **raceweekend2018**

To keep the bandwidth level high, kindly do not share this password with your guests. A separate open guest network will be available for their use.
